LATE CANCELLATION AGREEMENT

Finucan Chiropractic has a 24-hour cancellation policy in order to provide the opportunity for that appointment time to be scheduled by another patient needing immediate chiropractic care.

I understand there are emergency situations that arise and therefore 24hr notice is not possible. However, it is greatly appreciated to provide the cancellation as early as possible that day, *prior* to the scheduled appointment time.

For any late cancellations that are not provided within 24hrs (or for an emergency cancellation prior to appointment time) there will be a \$25 office charge which is non-billable to the insurance plan.

Thank you for your support regarding this concern.

I have read and understand the above.
